26th January 2012

Dear Parents,

A Level Geography Trip to Iceland – 22nd to 25th March 2013

The Geography Department are planning a visit for Easter 2013, to Iceland to study tectonic activity and glacial features, for students who will be studying A-level Geography.

The trip would last 4 days, from Friday 22nd of March with a return on Monday 25th of March 2013. Rayburn Tours would be organising the visit, a travel company who specialise in School visits. The proposed itinerary would involve a visit to the Geysir area, Solheimajokull glacier, the Kerid crater, Skogafoss waterfall and the mid Atlantic ridge. An optional extra may include a visit to the famous Blue Lagoon.

The cost is approximately £850 dependent on the number of interested students, and the discounts available to us from the travel company. This includes all flights, accommodation with full board, excursions, and coach transfers. The cost can be paid in instalments, or could be paid in full, once a final price is established.

If you would like your child to be considered for a place on the trip, please complete the reply slip below as confirmation. Please also send your non-refundable deposit of £200 by cheque (made payable to *Ellesmere College*) addressed to me with your child's name and Iceland trip clearly marked on the envelope by **Friday 9th of March 2012**.

Should you require any further information, please do not hesitate to contact me at your convenience.

Yours sincerely,

To: Miss R E Jackson, Ellesmere College, Ellesmere, Shropshire SY13 1PR

A Level Geography Trip to Iceland – 22nd to 25th March 2013

My son/daughter, name: is interested in visiting Iceland in March 2013.
