Golf at Ellesmere

Ellesmere provides the perfect environment for learning to play golf or to develop skills already learned. We are fortunate to have one of the finest school golf courses in the country. It is set amongst beautiful undulating grounds with challenging greens, creative bunkers and water features.

The 9 hole, 1859 yard, par thirty course is ideal for developing the young golfer and also provides an excellent practice environment for the lower handicapper.

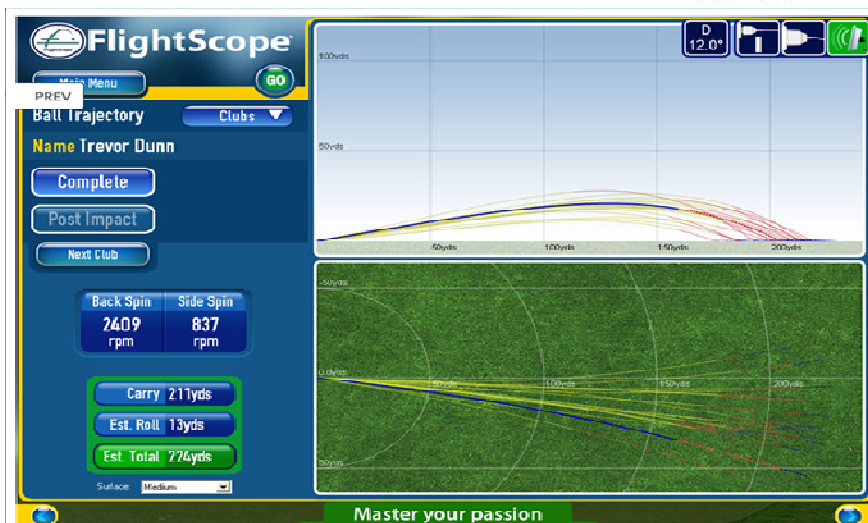

Weekly Programme

Access to the course is open to all pupils and the weekly programme runs as follows:

<i>Monday</i>	Lower School
<i>Tuesday</i>	Middle and Senior School
<i>Wednesday</i>	Middle and Senior School
<i>Thursday</i>	Middle and Senior School
<i>Friday</i>	Lower School

Coaching

Tuition is available with our two Golf Professionals in group or individual lessons throughout the week. We have access to the best coaching technology including the Explanar swing developer and FlightScope.

Tournaments

We run a number of Tournaments throughout the year including a merit table, open and junior house competitions, staff and student matches. We enter the independent schools match play competition and are developing a variety of fixtures against other schools.

Local Courses

We have a close link with Henlle golf club where students can play the 18 hole, 6107 yard course. There is easy access to a variety of other excellent local courses.
