

Parental Questionnaire

The College has undertaken to upgrade and restructure the records of former students and our current and past parental body, whom we see as **Friends of Ellesmere College**. This in turn will allow us to keep you better informed of future developments and up to date news but we are also aware of the wealth of talent, skills and experience that exists within our parents and friends. We would like to offer our students opportunities for work experience, mentoring, coaching and lectures from parents both past and present.

All the information will be held by the College and complies with the requirements of the Data Protection Act 1998. See the Privacy Statement at the end of this questionnaire.

All the information you give us will be held in the strictest confidence.
