

S V Pritt-Roberts M.Ed.
Deputy Head Academic

20th January 2010

Dear Parents/Guardians,

Academic Options at Ellesmere College 2010: Years 9 to 10

The curriculum consists of core subjects for all pupils in Year 10. These are English, Mathematics, and the three sciences of Biology, Chemistry and Physics. In addition all pupils will receive Physical Education as a practical course, not a GCSE. Some may also choose P.E. as a GCSE subject.

All other subjects are chosen from option blocks. Pupils will choose one subject from each block. Support for Learning and English as an Additional Language, as a chargeable extra, will continue to be available. The full details of each subject can be read in the enclosed booklet.

The attached form is to enable the collation of data and it would be appreciated if you could complete it and return it to me by the 22nd February 2010. If there are uncertainties about your son or daughter's choices please indicate in the comment box.

The Parents' Meeting scheduled on Friday 12th February 2010 will provide an opportunity to discuss with teachers and tutors the appropriate choice for your daughter/son. If you are unable to attend, or would like to discuss choices then please do not hesitate to contact the personal tutor allocated to your son or daughter.

Yours sincerely,

S.V. Pritt-Roberts
