15th November 2011

Dear Parents,

In order to assess the ability of the students who are members of the Ellesmere Equestrian team, we are holding a Dressage and Show Jumping day at South View Equestrian Centre, Winsford Road, Wettehall, Winsford, Cheshire, CW7 4DL on Saturday, 3rd December 2011, between 9.00am and 1.00pm.

The aim of the event is to allow students to show their skills without the pressure of competition and then balanced teams can be selected by considering age, gender and ability. I would then be looking to enter teams of 4 students to the NSEA events next year (2012) so if you already know you cannot commit to this the event in December would not benefit you.

South View is running an event that weekend so the café will be open. We have booked the 2 outdoor schools. There is plenty of parking and the facilities are very good. The only problem would be atrocious weather and unless South View cancel, the event will go ahead.

Students must be accompanied by an adult and have their own pony/horse and necessary riding equipment. No specialist Dressage kit is necessary and the instructions for the test will be given before the 3rd December in order to learn it. The standard will reflect the information I have already received.

I hope you will see this as an opportunity to build on a strong foundation. Should not enough students be available I would have to cancel and be unlikely to be able to organise another event before the National Competitions.

Firstly please confirm by email then return the returnable slip by Monday 21st November 2011

Yours sincerely,

.....
