Dear Parents,

Re: Insurances and School Fees Protection

The College is able to offer you a range of insurance and fees protection products designed specifically for pupils in independent education and at a termly cost that we believe to be very reasonable for the cover provided.

Full details of private medical insurance, with AXA PPP Healthcare, pupils' personal effects insurance, with Ecclesiastical Insurance, and our popular School Fees Refund Scheme, which provides for a full refund of school fees while your child is unable to attend classes because of poor health, can be found on our website under the Parents tab.

For £82 per term you can cover your child under the private medical scheme, and for £12.60 you can cover their personal effects/ belongings. The Fees Refund scheme premium is a calculation based on your son or daughter's termly school fee; 1.58% if a day pupil, and 1.05% if a weekly boarder.

Please enter this link <http://bit.ly/2tbEkaQ> in Google to access pdf documents which also include application forms. If you would like to sign up for all or any of these schemes I would be grateful if you would complete the appropriate form and return it to Mrs Helen Hearn, Finance Secretary, at the Finance Office (financesecretary@ellesmere.com). Helen will ensure cover commences at the start of term, and will apply the appropriate premium to your child's account.

If you have any questions about how any of the above schemes will work you are welcome to contact Helen.

Yours sincerely,

Ellesmere College, Ellesmere, Shropshire SY12 9AB
