Dear Parent,

**World War II Normandy Landings Trip  
(Year 9, 10 and 12)**

As of this morning and due to high demand, all the places on the History Battlefields Trip are now taken.

We have now opened a standby list and if your child has been placed on this I will let you know.

If you have secured a place it would be worth checking and applying for passports as required as I will need to take copies of these in the new year. I will be in touch soon with further details.

Yours sincerely,
