Dear Parent,

Re: **Private Medical Scheme**

You now have the opportunity to enrol your child in the above Scheme which the School has arranged with AXA PPP Healthcare.

A leaflet is attached that provides details of the benefits provided and the cost. Cover can be arranged for the Michaelmas Term, to start from 1 September 2017 if we receive a completed Application Form in time for us to send it to Marsh Limited, our intermediary for this Scheme, by 4 July 2017, and insurers accept the application. Should we receive your form after that date cover will commence from the date your application is accepted by the insurer. However no application forms for the Michaelmas Term will be accepted by the insurer after 30 September 2017.

To assist us, please act now and complete and return the form if you require cover for your child.

If you apply to join now the premium is £75 per pupil per term for the academic year commencing in September 2017, inclusive of Insurance Premium Tax (IPT), provided the level of IPT is not changed by the Government. You do have the right to cancel the cover at any time as advised in the leaflet attached and cover will end if your child leaves the school.

Please follow the link below for comprehensive details on the scheme and to complete the application form.
