What are my obligations?

- Complete and accurate answers must be given to any questions we may ask.
- We must be contacted if anything changes between the time you agreed to join and the start date.
- The subscription must be paid on time.
- We must be informed if any personal details change, including address.
- If your child needs to make a claim, call our team of Personal Advisers to ensure the claim is covered under the plan.

When and how do I pay?

Subscriptions to healthcare cover will be paid as part of the overall fees paid to the school, on a termly basis.

When does the cover start and end?

The child's membership will start at the beginning of the school term if they are already at school or the next term if mid-way through the academic year, and is in place whilst the child remains at school or until the subscriptions are stopped. If we have agreed something different, it will be advised in written communications.

How do I cancel the contract?

The child's cover can be cancelled either before cover begins or within 21 days of the date the cover for the child starts. The School Administrator should be contacted to request the cancellation. Provided no claims have been made under the scheme, a full refund of the subscription paid for that term will be given. If a claim has been made under the scheme during the 21 day period, no refund is payable. Cover cannot be cancelled outside of the 21 day period until the next renewal.
