THE EDGE

Virtual Lecture Series - request for speakers

The intellectual life of the College stretches way beyond the confines of the classroom, we believe that students can learn a great deal from those who have gone before them so we're taking the Edge lecture series online!

Designed as just one element of Ellesmere's Leadership and Entrepreneurship programme, The Edge lectures are designed to give our students a helping hand when entering the world of university and work. By connecting to the 5,000+ Old Ellesmerians worldwide, the younger generation can gain from their expertise and experience, creating mentoring and work experience opportunities in many professional fields.

To make the programme more accessible, future EDGE lectures will take place via video conference, speakers will have the opportunity to present to a group of students for 30 minutes, followed by a 10 minute Q&A session

Offered to all Sixth Form and Year 11 students, the programme has proven to be very successful since it started in 2012. Students have had the opportunity to see and speak to OEs and parents of many professions including doctors, lawyers, architects, engineers, military, entrepreneurs and many more.

If you would be interested in offering a talk on your career or business, please contact Olivia Beckett: olivia.beckett@ellesmere.com / 01691 626541.
